Summary

Web Developer and Graphic Designer.
I am a person who likes to learn as much as possible in everything he does. If I find an obstacle I look for a way to overcome it and learn from it.

Experience

✳ Web Developer

ingenyus*

Apr 2021 - Present (1 year 2 months +)
Worked together with the creative and design team to define and develop multiple responsive websites and web applications making the best UX and UI, estimating project time and costs, determining project requirements and needs, conceptualizing the project roadmap, and building multiple REST APIs.
Working with PHP, SQL, JavaScript, CSS, and HTML.

✳ Graphic Designer

ingenyus*

Aug 2019 - Aug 2020 (1 year 1 month)
Create designs for multiple websites by collaborating with the development team. Work with the creative team to create video animations and corporate designs for multiple companies.

Education

HACK A BOSS

Full Stack Web Development BOOTCAMP, Web Development
2020 - 2021
Fullstack web application bootcamp where I learn to create web pages with HTML, CSS and JavaScript, and full web applications with React.js, Node.js SQL.
Also having multiple workshops of GIT, Agile Methodologies, Vanilla JavaScript.
As the final project of the Bootcamp I develop a full functional clone of Reddit.

Escuela Superior Marcelo Macías
